Solo Light/Heavy

Achtung! Die Tänzer werden aufgefordert, die Tänze der Woche vor dem Training so zu üben, dass sie im Training funktionieren.

Wer zu spät kommt oder beim letzten Mal gefehlt hat, holt bitte die fehlenden Solotänze der Woche und wenn möglich auch die Gruppentänze nach.

Es wird angestrebt, den Schwerpunkt der Solo-Tage im Wechsel auf je dreimal Light und und dreimal Heavy Dancing zu legen.

Achtung! Die Tänzer werden aufgefordert, die Technikübungen auch und vor allem selbstständig außerhalb des Trainings zu absolvieren, um ihre Tanzqualität zu verbessern.

Die Mehrzahl der Technikübungen wird in das Leistungstraining integriert, so dass eine Teilnahme daran für alle Tänzer sinnvoll ist.
